1 Programs included only if in existence three or more years. Program is defined at the 8-digit CIP code level.
2 First-year doctoral students. Those students who have matriculated as doctoral students with a doctoral degree objective.
3 For each academic year, the time to degree is defined as beginning the year students matriculated with a doctoral degree objective until the year they graduated.
4. This report includes only students enrolled full time in the fall semester of the given year. Full-time enrollment is defined as enrollment for 9 hours or more of coursework.

5. All external funds received by core faculty from any source including research grants, training grants, gifts from foundations, etc., reported as expenditures.
